Thank you, Chris.

Are you still waiting to hear whether BG Van Epps is available? Or will Col. Helton be the senior USACE official at this G-to-G?

Helen

Importance: High

Confirming the government-to-government meeting for May 2 at 9:30am would be our preference. Hopefully, this date/time works for Brigadier General Van Epps and/or Colonel Helton. Thank you!

Hello, Rose and Laura, Chris and Dan.

I've just received confirmation from EPA R10 Administrator Casey Sixkiller's office that he is available for a G2G consultation with Yakama Nation on either May 2 or May 3. Mr. Sixkiller would prefer May 2 but could make the morning of May 3 work. He must be back in Seattle by early evening on May 3.

I know the Tribal Council is meeting that week. So, Chris – I think this is up to USACE now. Can Brigadier General Van Epps (or another appropriate level official) be available for a meeting in Toppenish on May 2 or May 3?

Thank you --
